Conservation Legacy Program: Stewards Individual Placements

Site Location: 26 Wall Street, New York, NY 10005

Application Timeline: Preference given to applicants that submit application by **June 13, 2025**

Terms of Service:

- Start Date: September 8, 2025
- End Date: August 7, 2026
- AmeriCorps Slot Classification: **1700 Hour**

Purpose:

Stewards Individual Placements, a program of Conservation Legacy, provides individuals with service and career opportunities to strengthen communities and preserve our natural resources. The Community Volunteer Ambassador (CVA) Program combines the strength of a national leader in conservation service with the National Park Service to train emerging leaders to assist park units in building lasting connections to communities.

The volunteer program at Federal Hall National Memorial is a part of a larger program within the administrative park group called Manhattan Sites, which is composed of nine national park sites across New York City. The volunteers at Federal Hall are responsible for representing the National Park Service through visitor interaction: volunteers help greet visitors, conduct public programs, and coordinate with park staff for special events. With the 250th anniversary of the signing of the Declaration of Independence in 2026, volunteers will be increasingly involved with bringing historical programming to life at Federal Hall.

The selected CVA will gain professional skills and make a difference at Federal Hall by serving as the primary contact for volunteer matters. The CVA will work with park staff and supervisors to further develop the volunteer program in order to accommodate the influx of programming and visitors that we anticipate with the 250th anniversary. While the CVA will be involved with front-line coordination and operations of volunteers, the selected candidate will also gain experience in park management, participating in planning meetings, lending expertise on volunteer program matters to park management, and helping to plan and execute park volunteer programs.
